## Flammability

All patterns meet or exceed the flammability requirements of California Technical Bulletin 117-2013, Sec 1. Some Patterns have been tested for other flammability specifications. These patterns may contribute to compliance with California Technical 133 when used in conjunction with other suitable components.

## Cleaning Codes

**W:** Water-based cleaning agents and foam may be used for cleaning. Cleaning by a professional furniture cleaning service is recommended.

**W-S:** Water-based cleaning agents and foam may be used for cleaning. This material may also be cleaned with mild, water-free solvents. Cleaning by a professional furniture cleaning service is recommended.

**Memo Samples:** Please contact BioFit at 800.597.0243 or [biofit@biofit.com](mailto:biofit@biofit.com)
