

10-SEAT OVAL SERIES TABLES

Oval mobile folding tables/attached seating for 10.

BioFit's patented 10-seat oval table is ideal for cafeterias and training settings alike, and actually aids in seated user communication by reducing surrounding noise. It features an anti-pinch safety feature and easily folds, rolls, and stores. Standard components include non-marring neoprene casters, rugged one-piece ABS plastic seats and a welded foundation. The 10-seat oval is also available in an ADA-compliant version.

STANDARD FEATURES

Recessed Vertical Hinge: When in folded position, automatically locks for enhanced stability. Lock keeps in-use table from raising in the center. Torsion bar assist system allows easy folding by a single person. Will not trap food and bacteria, plus offers protection against pinched fingers.

14 Gauge Steel Frame: Welded robotically for uniform strength, includes eight-legged foundation and double-strength seat braces.

Round Seat Color Options: Black, Burgundy, Red, Dark Blue, Green.

Exclusive ComfortRim™ Edge Profile: Gentle on forearms, enhancing user comfort.

LotzArmor Edge®: Tough, protective coating surrounds the edges of table tops and seats – prevents trapping of food or bacteria. Color options: Black, Slate Grey, Dove Grey, Indigo, Plum.

SURFACE CARE

Table Top Surface Care and Cleaning Tips

Use a damp cloth or sponge and mild soap or detergent. Difficult stains like coffee or tea can be removed using a mild household cleaner, such as Formula 409® or equivalent. Do not scrub so as to mar (damage, scratch) the surface finish.

Stubborn stains may require the use of undiluted household bleach or nail polish remover.

Using a cotton ball saturated with bleach or nail polish remover (acetone), gently rub the stain for two minutes. Rinse thoroughly with warm water and wipe dry using a soft cloth. Repeat this step if it appears that the stain is going away, and the color of the laminate has not been affected.

SEATING

One-piece ABS Seats: Virtually indestructible plastic with curved ergonomic edge. Color options: Black, Burgundy, Red, Dark Blue, Green

Wheels: Six non-marring, four-inch neoprene wheels ensure smooth, easy handling.

Table Top Laminate Options: Bannister Oak, Gray Nebula, Hunter Nebula, Natural Almond, Beige Nebula, Teal Nebula.

Other top colors available; up-charge and extended delivery may apply. Contact your service rep for more information.

This product is listed by Underwriters Laboratories Inc. Representative samples have been evaluated by UL and meet applicable UL Standards and requirements.

OPTIONS

Frame Color Options: Black, Gray, Putty, Chrome

Other: Available in ADA-compliant configurations.

WARNING: Prolonged exposure of the laminate surface to bleach will cause discoloration.

Always rinse laminate surface after cleaning!! Failure to rinse after cleaning can cause damage even if a small amount of cleaning solution remains on the surface.

Do not use the following to clean laminate surfaces:

Steel wool, rust removers, acidic or abrasive cleaners, toilet bowl cleaners, Muriatic Acid, Hydrogen Chloride, Oleic Acid, Oil of Vitriol, Oleum, Caustic Soda, Lye, Soda Lye, or Pumice (Abrasive).

Remember, sharp objects can damage the surface of the laminate, marring the beauty and lowering the wear and stain resistance. Laminated surfaces may need occasional dusting, using a non-oily furniture spray.
