

AVANT™ EDGESCAPE™ SERIES TABLES

The Avant* is the first model in the EdgeScape™ Designer table line. Designed to facilitate communication between users in educational, hospitality and institutional settings while providing stylish looks and array of options over more traditional mobile folding tables, it's available in 10-foot and 12-foot lengths and 27- and 29-inch heights. All size combinations include twelve, 13-inch round ABS seats with waterfall edges.

STANDARD FEATURES

Proprietary Contoured Top Shape: Designed to enhance communication between users; sweeping symmetrical lines provide stylish alternative to standard geometrically shaped tables.

Recessed Vertical Hinge: Automatic locking mechanism ensures table stays closed and stable when in folded position, and prevents table from rising in center when opened. Torsion bar assist system allows easy folding by a single person. One-inch safety gap between top halves prevents trapped food and bacteria, plus offers protection against pinched fingers.

14 Gauge Steel Frame: One-piece, robotically welded for uniform strength.

Exclusive ComfortRim™ Edge Profile: Gentle on forearms, enhancing user comfort.

SURFACE CARE

Table Top Surface Care and Cleaning Tips

Use a damp cloth or sponge and mild soap or detergent. Difficult stains like coffee or tea can be removed using a mild household cleaner, such as Formula 409® or equivalent. Do not scrub so as to mar (damage, scratch) the surface finish.

Stubborn stains may require the use of undiluted household bleach or nail polish remover.

Using a cotton ball saturated with bleach or nail polish remover (acetone), gently rub the stain for two minutes. Rinse thoroughly with warm water and wipe dry using a soft cloth. Repeat this step if it appears that the stain is going away, and the color of the laminate has not been affected.

WARNING: Prolonged exposure of the laminate surface to bleach will cause discoloration.

*The Avant table is patent pending.

LotzArmor Edge®: Tough, protective coating surrounds the edges of table tops and seats – prevents trapping of food or bacteria. Color options: Black, Slate Grey, Dove Grey, Indigo, Plum

One-piece, 13-inch ABS seats: Virtually indestructible plastic with curved ergonomic edge. Color Options: Black, Burgundy, Red, Dark Blue, Green

Wheels: Four non-marring, industrial grade neoprene wheels ensure smooth, easy handling.

Table Top Laminate Options: Bannister Oak, Gray Nebula, Hunter Nebula, Beige Nebula. Other top colors available; up-charge and extended delivery may apply. Contact your service representative or BioFit customer service for more information.

OPTIONS

Frame color options: Chrome, Gray, Putty, Black

Always rinse laminate surface after cleaning!! Failure to rinse after cleaning can cause damage even if a small amount of cleaning solution remains on the surface.

Do not use the following to clean laminate surfaces:

Steel wool, rust removers, acidic or abrasive cleaners, toilet bowl cleaners, Muriatic Acid, Hydrogen Chloride, Oleic Acid, Oil of Vitriol, Oleum, Caustic Soda, Lye, Soda Lye, or Pumice (Abrasive).

Remember, sharp objects can damage the surface of the laminate, marring the beauty and lowering the wear and stain resistance. Laminated surfaces may need occasional dusting, using a non-oily furniture spray.
