

EAC SERIES CHAIRS

Sturdy cast aluminum base/ergonomic waterfall front seat/narrow spinal support backrest with lumbar support.

Choose EAC chairs for top performance in a variety of environments including; industry, education, laboratory, clean room, healthcare and office.

Each chair within this series features a different base to meet varied environmental and budget demands. Waterfall front seats and narrow spinal support backrests are standard. Select options like seat adjustment controls, backrests, armrests, casters and glides.

STANDARD FEATURES

Backrest: Spinal support backrest, 8" wide x 12" high, lumbar support, plastic protective panel.

Seat: Ergonomic, 18 1/2" wide x 17" deep x 3" thick with waterfall front, four-way contouring and internal seat board bumperguard.

Controls: Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 31/2°, backrest tilt, backrest-height adjustment.

Base: 5-legged cast aluminum base with 23" leg spread.

Fire Retardant: Meets California Technical Bulletin 117; treatment to meet CAL 133 is optionally available.

Casters and Glides: Models available standard with casters have an R following the model number/manufacturing code. The remaining models are standard with nickel-plated glides. Standard casters are a single-wheel ball bearing caster for hard floors; many other optional casters/glides are available.

Upholstery: A wide range of upholstery vinyls and fabrics are available to meet your needs.

Metal Parts: EAC Series chairs have a powder-coated finish as standard or a chrome-plated finish when specified with a C option code (aluminum base has a polished top with the C option).
