

EAN SERIES CHAIRS

5-legged reinforced nylon base/ergonomic waterfall front seat/narrow spinal support backrest with lumbar support.

Choose EAN chairs for top performance in a variety of environments including; industry, education, laboratory, clean room, healthcare and office.

Each chair within this series features a different base to meet varied environmental and budget demands. Waterfall front seats and narrow spinal support backrests are standard. Select options like seat adjustment controls, backrests, armrests, casters and glides.

STANDARD FEATURES

Backrest: Spinal support backrest, 8" wide x 12" high, lumbar support, plastic protective panel.

Seat: Ergonomic, 18 1/2" wide x 17" deep x 3" thick with waterfall front, four-way contouring and internal seat board bumperguard.

Controls: Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 31/2°, backrest tilt, backrest-height adjustment.

Base: 5-legged black reinforced composite base with 27" leg spread (26" caster to caster); not for ESD use.

Fire Retardant: Meets California Technical Bulletin 117; treatment to meet CAL 133 is optionally available.

Casters and Glides: Models available standard with casters have an R following the model number/manufacturing code. The remaining models are standard with nickel-plated glides. Standard casters are a single-wheel ball bearing caster for hard floors; many other optional casters/glides are available.

Upholstery: A wide range of upholstery vinyls and fabrics are available to meet your needs.

Metal Parts: EAN Series chairs have a powder-coated finish as standard or chrome-plated metal parts when specified with a C option code (base remains black plastic with the C option).
