

Model shown has optional chrome metal parts.

# EET SERIES CHAIRS

## Tubular base/waterfall front seat/backrest with lumbar support.

EET chairs are recommended for the following environments; industry, education, laboratory, clean room, static control, healthcare and office.

Each chair within this series features a different base to meet varied environmental and budget demands. Contoured waterfall seats and generous backrests with lumbar supports are standard. Select options like seats, backrests, armrests, casters and glides. Performance packages are generally for high-tech (static control and/or clean room) applications.

### STANDARD FEATURES

**Backrest:** 15 1/2" wide x 14 1/2" high, lumbar support, plastic protective panel.

**Seat:** Ergonomic, 18 1/2" wide x 17" deep x 3" thick with waterfall front, four-way contouring and internal seat board bumperguard.

**Controls:** Standard with Task Control – Soft-touch pneumatic seat-height adjustment, fixed rearward seat tilt of 31/2°, backrest tilt, backrest-height adjustment.

**Base:** Rugged 5-legged tubular steel base with 20" diameter attached footring, 23" leg spread.

**Casters and Glides:** Models available standard with casters have an R following the model number/manufacturing code. The remaining models are standard with nickel-plated glides. Standard casters are a single-wheel ball bearing caster for hard floors; many other optional casters/glides are available.

**Fire Retardant:** Meets California Technical Bulletin 117; treatment to meet CAL 133 is available as an option.

**Upholstery:** A wide range of upholstery vinyls and fabrics are available to meet your needs.

**Metal Parts:** EET Series chairs have a powder-coated finish as standard or a chrome-plated finish when specified with a C option code.
