STANDARD FEATURES

Seat: Round, 16" diameter, upholstered, with 4" of high-resilience molded foam cushioning.

Controls: Pneumatic seat-height adjustment.

Base: 5-legged fully polished cast aluminum base with 27" leg spread (26" caster to caster).

Casters and Glides: Models available standard with casters have an R following the model number/manufacturing code. The remaining models are standard with nickel-plated glides. Standard casters are a single-wheel ball bearing caster for hard floors; many other optional casters/glides are available.

Fire Retardant: Meets California Technical Bulletin 117; treatment to meet CAL 133 is optionally available.

Upholstery: A wide range of upholstery vinyls and fabrics are available to meet your needs.

Metal Parts: RXP Series stools have a powder-coated finish as standard or a chrome-plated finish when specified with a C option code.
