

# RXT SERIES STOOLS

## Rugged tubular base/round upholstered seat.

Choose RXT stools for top performance in a wide variety of environments including: industry, education, laboratory, clean room, static control and healthcare.

Each stool within this series features a different base to meet varied environmental and budget demands. Round upholstered seats are standard. Select options like seat adjustment mechanisms footings, casters and glides.

## STANDARD FEATURES

**Seat:** Round, 16" diameter, upholstered, with 4" of high-resilience molded foam cushioning.

**Controls:** Pneumatic seat-height adjustment.

**Base:** Rugged 5-legged tubular steel base with 20" diameter attached footing, 23" leg spread.

**Casters and Glides:** Models available standard with casters have an R following the model number/manufacturing code. The remaining models are standard with nickel-plated glides. Standard casters are a single-wheel ball bearing caster for hard floors; many other optional casters/glides are available.

**Fire Retardant:** Meets California Technical Bulletin 117; treatment to meet CAL 133 is optionally available.

**Upholstery:** A wide range of upholstery vinyls and fabrics are available to meet your needs.

**Metal Parts:** RXT Series stools have a powder-coated finish as standard or a chrome-plated finish when specified with a C option code.
