

AFTON™ EDGESCAPE™ SERIES TABLES

The Afton table embodies the timeless beauty, boundless strength and inspirational form of the famous Scottish river for which it is named. Its unprecedented S-shaped* table top facilitates communication between users, and opens a world of new design opportunities for food courts, cafeterias, event centers and more. Used singly or in groups of two or more, the gentle wave of the Afton table is not only aesthetically pleasing but seamlessly integrates with other BioFit table models used within a given environment. It's available in 10' and 12' lengths and 27" and 29" heights as well as ADA-compliant versions.

STANDARD FEATURES

Proprietary S-shaped Top: Flowing lines are easy on the eye and present interior designers and specifiers with a wealth of floor plan options. Naturally occurring swells and coves provide users with a personal sense of “safe harbor.”

Recessed Vertical Hinge: Torsion bar lift assist system allows for easy folding by a single person. Patented adjustable torsion capability allows torque to be reset to original factory specifications. Automatic locking mechanism ensures table stays closed and stable when in folded position and prevents table from rising in center when opened. One-inch safety gap between top halves prevents trapped food and bacteria and offers protection against pinched fingers.

14 Gauge Steel Frame: One-piece, robotically welded for uniform strength.

Frame Color Options: Almond, Black, Chrome, Gray

Proprietary ComfortRim™ Edge Profile: Style-conscious forearm-friendly design enhances user comfort and facilitates a sanitary dining area by preventing food debris from becoming trapped in the table top banding.

SURFACE CARE

Table Top Surface Care and Cleaning Tips:

Use a damp cloth or sponge and mild soap or detergent. Difficult stains like coffee and tea can be removed using a mild, non-abrasive household cleaner. Do not scrub as this can damage the surface finish. Thoroughly rinse to remove all traces of cleaning agent.

Rugged, Seamless Edging: Table tops feature an extremely durable food- and bacteria-resistant edge.

One-piece 13" Round ABS Seats:

Virtually indestructible plastic with curved ergonomic edge. Color options: Black, Burgundy, Red, Dark Blue, Green.

Wheels: Six non-marring, four-inch neoprene wheels ensure smooth, easy handling.

Table Top Laminate Options:

Bannister Oak, Beige Nebula, Graphite Nebula, Grey Nebula, Navy Legacy, Woolamai Brush.

Other top colors available; up-charge and extended delivery may apply. *Contact your service representative or BioFit customer service for more information.*

This product is listed by Underwriters Laboratories Inc. Representative samples have been evaluated by UL and meet applicable UL Standards and requirements.

Other Options: Available in ADA-compliant configurations.
