# HCS SERIES CHAIRS

Lower and upper back support 18" wide x 19" high/  
21" diameter attached foot ring.

HCS chairs are recommended for use in healthcare, educational, industrial, office and static control settings.

HC series chairs provide a preview of the way style and function are shaping up at BioFit. The upgraded sewn seam design of this line minimizes foam compression during manufacturing – a process that maximizes comfort over the lifecycle of the chairs. Select from a range of different components, upholstery options and performance packages.
